

VISIT SPOKANE

National Onsite Wastewater Recycling Association 2024 Onsite Wastewater Mega-Conference

WELCOME TO SPOKANE

You have landed in one of the coolest cities in the Pacific Northwest, and we hope you take time to experience it to the fullest.

Greater Spokane has always been an ambitious community. Our vivid civic imagination and celebrated hospitality have led our community to host incredible events, each leaving an indelible mark on the area and our visitors. Today, you'll enjoy the dividend from that investment with cozy restaurants, beautiful hotels, and a spirited arts scene all surrounding an urban park along a river gorge.

Don't hold back. Wander through Riverfront Park, walk on the Centennial Trail just steps from the Convention Center, soar over the Falls on the Numerica SkyRide, and if you feel up to it, go skating on the Numerica Skate Ribbon. Explore with confidence, knowing you're in the largest medical hub between Minneapolis and Seattle, ensuring your safety in case of any unforeseen mishaps.

Spokane is, and always has been, a gathering place where accessibility, pace, history, and hospitality conspire to make an original city experience both manageable and delightful. At the heart of our city's charm is our commitment to social inclusion, elevating the quality of place for residents and visitors alike.

Enjoy your stay,
